Did you know there are financial benefits available for wartime veterans or their surviving spouses?

We now partner with the **VetAssist Program** to assist with gaining access to this funding source.

*For those who qualify for the VA's Pension with "Aid and Attendance," and choose to use their VA benefits primarily for home care, The **VetAssist[®] Program of Veterans Home Care** can provide some of the following home care services:*

- Help with Bathing
- Help with Dressing
- Medication Reminders
- Meal Preparation
- 24/7 Emergency Response System

Veterans Home Care is not part of any government agency and is not affiliated with the Department of Veterans Affairs.
