Information Regarding Referrals to Veterans Home Care®

The “Aid and Attendance” pension is a benefit for non-service related disabilities, available to veterans or their surviving spouses who qualify. In order to qualify for the pension:

- **The veteran must have served at least 90 days active duty in the military**, with at least one day during wartime. (Persian Gulf War veterans must have two years of active duty or the full period for which they were called for active duty.)
- **The applicant must be at least 60% housebound (no longer driving)**, which will require certification by a licensed physician.
- **The applicant must meet certain income and asset limits.**

Applicants will need the following documentation to begin the application process:

- **Discharge papers (DD214)** - We can assist in getting these documents through NARA
- **Death Certificate** with cause of death (if client is a **surviving spouse**)
- **Marriage Certificate** or other proof of marriage, including date (if client is a **married veteran or surviving spouse**)

Please inform the prospective client that Veterans Home Care will need to ask personal questions regarding income and assets in order to prepare the application to the VA. Answers to all questions, including those that are financially related, will be kept confidential and will only be used to complete the application.

If the prospective client is unable or unwilling to answer income or asset-related questions, Veterans Home Care **cannot** assist him/her in applying for the “Aid and Attendance” VA pension.
