Veterans or their survivors aren't typically notified by the VA if they are eligible for benefits.

Check with all 3 VA branches for benefits:

1. Veterans Health Administration
2. Veterans Benefits Administration
3. National Cemetery Administration

Aging veterans receiving Disability Compensation payments may eventually need more help and can apply for additional "Aid and Attendance" amount.

Wartime veterans with:

1. No service-connected disability
2. No combat duty
3. No overseas service

are eligible for a Pension plus an additional "Aid and Attendance" amount.

5

Veterans' widows (surviving spouses) are eligible to receive the Aid and Attendance benefit.

Before filing a VBA claim, consider filing a short "Intent to File" form which can set an earlier effective date for your benefits.

Never file a VA claim for Aid and Attendance on your own unless you have that expertise. Free help is available from **VetAssist** and others.
