

VetAssist[®]

Exclusive to the **VETERANS HOME CARE** Family

Helping Veterans and Surviving Spouses Receive In-Home Care with No Out-of-Pocket Costs.

If you qualify for our unique VetAssist[®] Program, we can get you the home care you need - **NOW** - while the VA reviews your claim.

Our Program Provides:

- ✓ The knowledge we've gained since 2003 to help you accurately submit your application to the VA with expertise in obtaining military and other records required by the VA.
- ✓ An interest-free loan to pay for home care NOW.
- ✓ Continuity of care to help you remain in your home.
- ✓ Quality home care from a contracted provider.
- ✓ Continuing client services both before and after VA entitlement.
- ✓ Due diligence in monitoring home care expenses to keep you in compliance with VA requirements.
- ✓ Cutting-edge technology to ensure independence, safety, and overall well-being.
- ✓ Additional care coverage between home visits.

The VA's "Aid and Attendance" benefit is for wartime veterans, or their surviving spouses, who meet certain medical and financial requirements.

VA Requirements - 3Ms

Military Service

Minimum 90 days active duty, with at least one day during wartime, and an honorable discharge.

Gulf war veterans must have served active duty for 2 years, or the full period for which they were called for active duty.

Medical Condition

Non service-connected disability which requires assistance with activities of daily living.

Money Limitations

A net worth (income & assets) at or less than \$155,000

A primary residence and auto are not counted as part of net worth. On going, unreimbursed medical and long-term care expenses may reduce income.

ENHANCED CARE PLAN SERVICES

Within our newly enhanced VetAssist Program, we are pleased to introduce additional care plan services - **VetAssist Companion**, **Care Call 4 You**, and **VoiceHealth** - all designed to create a holistic and secure home environment for seniors who are choosing to age in place.

Our Care Plan Services redefines senior care by leveraging cutting-edge technology to ensure independence, safety and well-being. This innovative approach empowers seniors while providing caregivers and loved ones with the reassurance and support needed in the modern age of healthcare.

Crafted to meet the desires of seniors seeking to uphold their independent way of life, this program simultaneously offers caregivers and loved ones the peace of mind they seek.

Elevate your home care plan with our enhanced care services plan

- ★ Additional care support between home care visits.
- ★ Security and peace of mind.
- ★ Solution to loneliness & isolation.
- ★ Tailored to individual needs.
- ★ Emergency responsiveness.
- ★ Connection and engagement with a healthcare professional.
- ★ Continuous monitoring of health concerns.
- ★ Reduce hospital and emergency room visits.

Care is Always There

Using Alexa[®] technology, VetAssist Companion creates a personalized, whole-home system of smart medical alert devices to help seniors maintain an independent lifestyle and provide caregivers with peace of mind.

Safety and Wellness Calls

Regularly scheduled phone calls from our team of healthcare professionals that enhance care, help ensure safety and holistic well-being and provides loved ones with ongoing updates.

Remote Therapeutic Monitoring

The automated VoiceHealth system allows monitoring of the daily care routines and wellness indicators of a senior living independently.
