

We have referred you to the **VetAssist® Program**

Why were you referred?

The VetAssist® Program helps eligible wartime Veterans and surviving spouses, who meet certain medical and financial requirements, apply for the VA Pension with VA Aid & Attendance. This benefit is designed to help those who require assistance with activities of daily living.

What is the Aid and Attendance Pension?

The Veterans Benefits Administration, a branch of the VA, offers tax-free, monthly monetary payments to certain wartime Veterans with financial need, and their survivors.

Based on our discussion, we believe you may meet the program eligibility requirements.
